

I am concerned to learn of Sinclair Broadcasting's move to require the airing of an anti-Kerry documentary days before the election. I understand that since Sinclair uses the public airwaves free of charge, it is obligated by law to serve the public interest. Too, as a listener, I would prefer a local station that speaks fairly and in depth about issues that reflect my community's concerns. I can only hope that the FCC addresses Sinclair's actions in an appropriate, responsible way. Thank you.
